

Goal Setting Workbook

A goal setting template help you review your career highlights and plan for your next steps

Instructions

- It's important to reflect on your career on a regular basis and set goals to help you move towards career fulfillment.
- [Make a copy](#) of this document and fill it in online, print it, or write it all down in a notebook. Whatever works for you.
- Remember that this does not need to be perfect. You can always go back and edit. The main point is to get all of this out of your head so that you can start planning intentionally and taking actions that will lead to a more meaningful career and life.

Life Satisfaction Reflection: **EXAMPLE**

INSTRUCTIONS: Rate your level of satisfaction **1** (dissatisfied) - **5** (satisfied) in each of these areas and provide any context. Remember that your career and other parts of your life can be connected.

CAREER	2	MONEY/FINANCE	2	HEALTH	2
I haven't had any growth in the past two years along with no promotions.		I haven't had a raise in a long time and am living paycheck to paycheck.		I am not taking care of myself and feeling stressed a lot from work. I am not finding time to workout or eat healthy.	
FAMILY	4	COMMUNITY	4	PERSONAL GROWTH	3
I feel good about the time I am spending with my family and partner.		I have a lot of friends and have met a lot of new people lately through networking.		There are so many new tech tools that I want to learn but I haven't had time to dedicate to this.	
FUN	5	EMOTIONS/SPIRITUALITY	3	ADD YOUR OWN	
I have spent a lot of time doing things I enjoy like cooking, gardening, watching movies at home,		I've been feeling down and stressed lately and haven't been meditating on a regular basis.

Learn How To Achieve Goals

Once we set goals, it's important to put accountability and systems in place to help support us to achieve them. Here are some tips and resources to help with that.

How to Create Accountability:

- Break down big goals
- Implement a system or process
- Create a schedule
- Identify any obstacles
- Track your progress
- Revisit goal and process quarterly

Prioritize & Plan for this Year: **EXAMPLE**

INSTRUCTIONS: Choose 3 of your goals to further plan out to stay accountable

	GOAL + ACTION STEPS + TIMELINE	ACCOUNTABILITY PLAN / SYSTEM
1.	Ask for a promotion and raise in 3 months.	Schedule time with my mentor to meet twice a month. Spend 3 hours a week focused on learning a skill that will help move me towards a promotion.
2.	Save \$500 a month from paycheck and invest money for retirement.	Calculate my budget and expenses as a first step and then look to how to save additional money. Meet with financial advisor 4x a year to review financial goals.
3.	Incorporate exercise into my daily routine and make time to prep healthy food	Meet my friend 3x a week at local park to exercise together or take a walk. Sign up for healthy food delivery service for 5 meals per week.

Tips for Your Primary Work Style

Your primary work style can impact the way you set and reach goals, so we recommend these goal setting tips below based on your work style.

1

Break down your goals into smaller milestones with a timeframe for each one.

2

List your goals on paper and create a plan and timeline on how you plan to reach your goals.

3

Set a timeline to make sure you have your goals in place to stop you from procrastinating.

4

Prioritize what goals are most important to you and don't lose sight of the why behind your goals.

Good luck with your career goals!
